

PriceDirect.co.nz

New Zealand shopping portal

PriceDirect is a New Zealand online shopping Directory that shows thousands of products from hundreds of retailers on the one website.

Each product links through to the retailers website where the transaction takes place, creating hundreds of keyword rich backlinks to the retailers website. This is an essential part for increasing Search Engine rankings and worth the advertising fee alone.

PriceDirect charge no commissions on sales, just a modest yearly advertising fee for unlimited products.

You will receive additional exposure through the PriceDirect Shopping Blog, Newsletter Database, Facebook & Twitter pages.

Should you have a bricks and mortar store you will be integrated into our Google mapping system allowing customer to search products via regions, then easily find your store location via a Google map.
